SET NEW TRENDS

- » Foot quality standout combining great data, impeccable phenotype and a nearly wide-open pedigree to complement and enhance most popular sire lines in the US today
- » Forty-four sons of PARATROOPER averaged an astounding \$49,682 at the Millah Murrah Bull Sale in New South Wales, Australia on September 1st, 2022

A WORK OF ART FROM ALL ANGLES

- » Pedigree includes proven maternal gold from both Australia and New Zealand
- » A balanced, no-holes, versatile EBV set offering low birth, solid growth, moderate MCW in addition to good scrotal, docility, structure and carcass figures

A ROCKET TO THE TOP

- » Outstanding Docility and awe-inspiring phenotype-wide and correct from his muzzle all the way through to his hips and pins
- » Strong data and performance combining elite growth genetics with reasonable calving ease and top end rankings for all Angus Breedplan indexes
